

DATE:

Project Name:

Construction Drawing No.:

Owner Name:

I hereby certify that:

- This certification is based on an as-built survey performed on <<Date>>, overseen by a Professional Surveyor registered in the state of Ohio, and enclosed herein as a redline mark-up to the approved *.TIFF drawings on file with the City of Columbus Department of Public Utilities as required by the City of Columbus, Stormwater Drainage Manual, and

(check one of the following below):

- ☐ The <<post-construction stormwater control facilities>> constructed as part of this <<development>> OR <<project>> have been completed in substantial conformance with construction drawings <<drawing number>> approved by the City of Columbus.

OR

- ☐ Substantial variations from the originally approved construction plans exist and are noted in the enclosed as-built plans. The <<post-construction stormwater control facilities>> as constructed meet the requirements of the City of Columbus, Stormwater Drainage Manual. Computations verifying the compliance of the as-built <<post-construction stormwater control facilities>> with the City of Columbus, Stormwater Drainage Manual are enclosed.
